Violence Against Women Act Amendments of 2005

The Violence Against Women Act (VAWA) Amendments of 2005, requires the PHA to describe any goals, objectives, policies or programs that will enable the PHA to serve the needs of child and adult victims of domestic violence, dating violence, sexual assault or stalking. (Sec. 603).

0

The PHA supports the goals of the VAWA Amendments and will comply with its requirements.

0

The PHA will continue to administer its housing programs in ways that support and protect residents (including Section 8 Housing Choice Voucher program participants) and applicants who may be victims of domestic violence, dating violence, sexual assault or stalking.

0

The PHA will not take any adverse action against a resident/participant or applicant solely on the basis of her or his being a victim of such criminal activity, including threats of such activity. "Adverse action" in this context includes denial or termination of housing assistance.

0

The PHA will not subject a victim of domestic violence, dating violence, sexual assault or stalking to a more demanding standard for lease compliance than other residents.

0

The PHA will continue to develop policies and procedures as needed to implement the requirements of VAWA. And to collaborate with other agencies to prevent and respond to domestic violence, dating violence, sexual assault or stalking, as those criminal activities may effect applicants for and participants in the PHA's housing programs.

0

The PHA,s VAWA Policy "The PHA will provide notices explaining the VAWA protections to applicants [both Section8 Housing Vouchers and Public Housing], to public housing residents and Section 8 voucher participants, and to property owners participating in the voucher program.

.
